Pool Rats

The Pool Rats program is back !
Pool Rats is a youth-based volunteer program geared at youth interested in aquatics. Teens will be involved in coordinating games during the public swims with the opportunity to shadow guard and learn new aquatic procedures during volunteer and inservice hours. Accumulated hours qualify for high school graduation requirements. Each youth is required to volunteer minimum of 2 hours per week (min. 10 for the season), and receive one free swim passes for every 2 volunteer hours and keep a free t-shirt (after 6 hours) to wear during volunteer hours. Youth can also earn up to 20% credit towards future lessons.

Limited spaces available, and sign-up for hours based on first-come, first-serve. For more information and to sign up, stop by the pool starting May 25
