

**NOTICE
VILLAGE OF LUMBY RESIDENTS
RECYCLING CHANGES**

We wish to bring to your attention changes in the recycling program for the Village of Lumby

**Glass, will no longer be a recyclable item
as of February 18, 2008**

The reason being is for the safety of the employees of the contractor, due to broken glass during the sorting process mixed in with the recyclables

**Glass will continued to be excepted by the Village's contractor, Aldon Waste Systems Ltd. at drop-off site
1351 Shuswap Avenue**

Recycling for pick-up must be in a clear leaf bag or transparent blue bag, blue box or container that is viewable to the contractor.

NOTE: Should your recyclables be placed in a normal garbage bag, it will not be picked up. **The bags must be transparent.**

**Recyclables to be placed by curb at 7:00 a.m.
Every second week**

Styrofoam is not a recyclable, it is to be placed in the normal waste stream
